- < How are food delivered?

09:52 AM

FOOD BRIDGE

Food Bridge is an app designed to take delivery orders from donors and deliver them to people in need via delivery drivers. You can decide whether you want to donate your soon to expire food or if you would like food donated to you through our app and food will be at the doorstep of your selected location in a shortwhile.

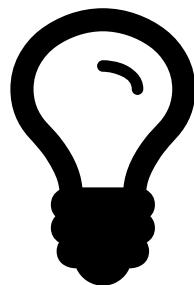

09:52 AM

FOOD BRIDGE

Food taken from donors are brought to depots across the country which are organized to keep the donated food safe to eat while waiting in store.

09:52 AM

FOOD BRIDGE

Delivery drivers work around the clock to bring you your food as quickly and safely as they can with our company given motorcycles. Charity workers can also be the delivery drivers delivering the food.
